## Summer Youth Jobs *Making summer a season of growth.* Program

Montgomery County Department of Economic Development has received funding from the American Recovery and Reinvestment Act of 2009 (ARRA).

**What does this mean?** This funding has allowed us to offer an increased number of jobs to Montgomery County Youth.

### **Would you like to increase your work related skills and earn a paycheck?**

If so, we are asking you to dedicate six-weeks of the summer to gain valuable work experience, meet new friends and stimulate your personal economy.

You would have the opportunity to work in local businesses, government agencies, non-profits and community agencies.

You would earn \$7.25 an hour and participate in the Summer Youth Jobs Program. You could earn up to **\$ 1,000** dollars for the summer.

### **If you are:**
