

**Curriculum Committee Report
March 2010**

Chairs: Rebecca Smondrowski, Ted Willard

Members of the Curriculum Committee attended the January MCPS Curriculum Advisory Committee meeting addressing Middle School Advanced Courses and also attended the MCCPTA Forum on Middle School Advanced Courses held in February. On February 26, the Curriculum Committee Chairs and the VP for Ed Issues met with Erick Lang, Assoc Superintendent of Curriculum and Instructional Programs, Betsy Brown, Director of Curriculum and Instruction, and Marty Creel, Director of Enriched and Innovative Programs, to further discuss the Middle School Advanced Courses. The committee is preparing a resolution to address concerns that have been raised by parents with regard to the Advanced Courses.
