There has been an ongoing “purge” of non-functioning email addresses, as well as recommendations for elist membership based on position. A spreadsheet has been created to allow for easier comparison of elist memberships. All local PTA members have been added to the spreadsheet and instructional emails were sent out as to how to join the MCCPTA elists. All those who did not elect to join in that manner have been placed in a queue, to be added manually by myself (with a limit of 10 per day).
