

**Grading and Reporting Committee Report
April 2010**

Contact: Kristin Tribble tribble4@verizon.net

MCPS has advised that they will implement the Standards Based Report Card in up to 9 more elementary schools next year dependent upon the budget outlook and schools volunteering. In the meantime, representatives from the 25 elementary schools who have already implemented SBRC are continuing to provide feedback to the GRIT representatives on their experiences and concerns regarding the SBRC. These are being collated and forwarded to MCPS via the GRIT team.
