

**Grading and Reporting Committee Report
March 2010**

Contact: Kristin Tribble tribble4@verizon.net

The MCPS Grading and Reporting Implementation Team (GRIT) met in February and discussed processes for ensuring reteaching and reassessment in secondary schools.

All local PTAs, but particularly the 25 elementary schools implementing SBRC, should have identified a Grading and Reporting representative to assist with providing feedback on their experiences to MCCPTA's Grading and Reporting committee and GRIT team members.
