

**Student Service Learning (SSL) Sub-Committee Report
April 2010**

Chair: Debra Lang

The SSL sub-committee has been hard at work reaching out to each of the middle and high schools in the county. About two months ago, we asked for feedback from parents about the program, and will use that feedback to inform future endeavors of the committee and by the SSL administrator at MCPS, with whom the feedback has been shared. More recently we have been communicating regularly with PTSA liaisons, not only about the myriad of opportunities to earn SSL hours in the County, but now also about the various awards and scholarships for which their volunteers might be eligible.
