

Nominating Committee Report – September 2009

Chair: Carol Salsbury

As we begin the school year, our MCCPTA Executive Board has an opening for a job that is essential to the effective and efficient operation of our council's business:

VP for Administration

Please post the following announcement on your local, quad, and consortium PTA/PTSA listservs and contact me if you have a qualified candidate in mind, having first asked their permission to be nominated:

CALL FOR NOMINATIONS

The MCCPTA Executive Board has an opening for VP Administration. To be qualified the candidate would need to be a member of their local PTA/PTSA, have served as an officer for one year (defined in accordance with their bylaws), and have given their permission to be nominated.

The position of VP Administration is a vital and highly visible position within MCCPTA and requires a person with passion and commitment to advocacy for children. It also requires a substantial amount of time to perform a variety of duties. The candidate needs to have a block of time to dedicate to the work. It can be a person who has a child currently attending MCPS or an alumni parent with experience and a wish to continue their support for the mission of PTA.

From the Board of Directors Guidebook (www.mccpta.com/BOD_Handbook.pdf):
“The Vice President for Administration has responsibility for the work of administrative committees as designated in the organizational chart as well as the Area Vice Presidents and Cluster Coordinators. The Vice President for Administration coordinates some of the interaction among MCCPTA Area Vice Presidents, Cluster Coordinators and local PTAs. The Vice President for Administration is also responsible for nominations for the MCCPTA Nominating Committee and for coordinating testimony assignments for hearings of the Board of Education and the County Council on the CIP and operating budget.”

If you have a nomination, for more information or with questions, please contact Carol Salsbury, via email at Carol_Salsbury@comcast.net or call 301-562-8386.
