MEMORANDUM

To: All Principals

From: Larry A. Bowers, Chief Operating Officer 

Subject: Superintendent's Recommended Fiscal Year 2011 Operating Budget Documents

Copies of the Superintendent's Recommended FY 2011 Operating Budget in Brief were distributed to all schools on Friday, December 11, 2009. Each school received two copies. One copy is for the school. The other copy is to be shared with your parent teacher association (PTA) president. The Operating Budget in Brief summarizes the major recommendations and issues regarding the FY 2011 Operating Budget.

In order to reduce printing and distribution costs at a time of fiscal difficulty, the Superintendent's FY 2011 Recommended Operating Budget (Management Budget) and the FY 2011 Recommended Program Budget are being published online only on the MCPS website at <http://www.montgomeryschoolsmd.org/departments/budget/>. In order to make online access easier, the Recommended FY 2011 Operating Budget has been redesigned as a searchable database. Use of the new format requires Adobe Acrobat 9. The documents also will be available on the website in traditional PDF format.

You have an important role throughout the budget process, and your continuing support is greatly appreciated.

If you need additional copies of the Budget in Brief or have any questions about the FY 2011 Operating Budget, please call the Department of Management, Budget, and Planning at 301-279-3547.
