2010-2011 Reflections Participants:

Thank you for participating in PTA's Reflections Program this year. We are so delighted that you submitted an entry to share your artistic talents with your school and your community.

As you may know, you submitted a Student Entry Form along with your artwork. National PTA has recently revised the form to ensure that you, as the creator of the artwork, will retain ownership of the copyright of the artwork and will allow PTA to use your artwork to promote or celebrate the Reflections Program, as PTA has done in the past. This letter is to confirm that this applies to you, even though you have already submitted your Student Entry Form. To view the revised form, please find it online at: <http://www.ptareflections.org>.

You do not need to resubmit a new Student Entry Form, nor will this impact the judging of your Reflections entry at the local, regional, state or national level. The new form will supersede the Student Entry Form that you have already submitted.

If you have any questions or concerns, please feel free to contact National PTA at [reflections@pta.org](mailto:reflections@pta.org) or 800.307.4PTA (4782).

Thank you for participating in Reflections!
