

Reflections Committee Report – September 2009

Point of Contact: Melissa McDonald

We have several new schools participating in Reflections this year. All have been added to the MCCPTA Reflections Yahoo group listserv. Thanks to the National PTA website, and www.ptareflections.org, there are many online resources available for new chairpersons to utilize. As usual, the current year's booklet was included in the MDPTA President's box of documents. I announced via my Yahoo group that the hard copy of the booklet was now available, and that the soft copy will be posted on the MDPTA website in early September. The MCCPTA website will be updated As soon as the electronic version of the booklet can be downloaded from MDPTA.

I will be leading the Reflections fall training on September 12, 2009. A copy of the training notes will be posted on the Yahoo group site.

The MCCPTA Reflections awards ceremony is tentative set for mid-March 2010 at Montgomery College, Germantown.
