Student Planner Statement

As a whole-school initiative, our school has produced a student planner that is available for student purchase. This planner is not graded or used as a hall pass, but it is used by teachers to help your child track his/her assignments and to let you know of assignments that are due. While this is a voluntary purchase, we strongly believe a student planner is a valuable organizational tool to help you and your child monitor completion of assigned tasks. If you do not want your child to purchase the school's planner, please provide a tool your child can use for the same purpose.

Student Agenda Book Statement

As a whole-school initiative, our school has produced a student agenda book that is available for student purchase. This agenda book is not graded or used as a hall pass, but it is used by teachers to help your child track his/her assignments and to let you know of assignments that are due. While this is a voluntary purchase, we strongly believe a student agenda book is a valuable organizational tool to help you and your child monitor completion of assigned tasks. If you do not want your child to purchase the school's agenda book, please provide a tool your child can use for the same purpose.
