Vision

To assist in leadership development for PTAs across the County and help maintain a high standard for PTAs to achieve their goals.

Goals

- To allow PTAs to conveniently access the information they need to lead.
- To provide an exciting, dynamic, team-oriented environment that supports PTA's overall mission and purpose.
- To help share experience and guidance for every PTA's growth.

Action Steps

- Plan, implement and orchestrate at least two (2) training sessions a year in Fall and Spring.
- Respond to training and assistance requests from local PTAs.
- Work cooperatively with MCPS and other education organizations on joint training for parents and staff.
- Help build a cadre of trainers and resources.
- Compile training materials to share with local PTAs and aspiring leaders.

Expenses

\$1,750-2,000 for publicity, facility, training, materials and food.
